shapely, pretty figure, and many of them deplore the after marriage. The bearing of children is often destructive to the mother's shapeliness. All of this can be avoided,

however, by the use of Mother's Friend before baby comes, as this great liniment always prepares the body for the strain upon it, and preserves the symmetry of her form. Mother's Friend overcomes all the danger of child-hirth, and carries the expectant mother safely through this critical period without pain. It is woman's greatest blessing. Thousands gratefully tell of the benefit and relief derived from the

use of this wonderful

remedy. Sold by all druggists at \$1.00 per bottle. Our little book, telling all about this liniment, will be sent free.

The Chew that's Sweet and Clean

No wonder SCHNAPPS is popular—it's the chewing tobacco that suits the man who chews to get enjoyment from the tobacco, instead of the mere habit of chewing and expectorating.

SCHNAPPS is made from choice selections of the well matured, thoroughly cured Piedmont leaf, with an aroma so delightful and appetizing that it popularized the chewing of tobacco. There's no other tobacco in the world that requires and takes so little

sweetening. That's what makes the difference between SCHNAPPS and the many excessively sweetened imitations - and it's such a difference that once a

chewer chews SCHNAPPS, he is never deceived with any imitation.

The sweet, tasty and exhilarating quality of SCHNAPPS tobacco has made the Reynolds factory famous as the manufacturers of the best and most popular brands of chewing tobacco, and as the largest and best equipped flat plug factories in the world. They contain every modern appliance for producing the best chewing tobacco, by clean, sanitary and healthful processes. The R J. Reynolds Tobacco Company is under the direction of the same men who have managed it since 1875, and who have made the chewing tobacco business a life-study.
